Education

Government Engineering college, Bhavnagar

Bachelor of Engineering in Information and communication technology

7.87 CGPA

Bhavnagar, Gujarat

Gyanmanjari Vidyapith

Higher Secondary school

70 Percentage

Bhavnagar, Gujarat

Relevant Coursework

- Data Structures
- Algorithms
- OOP
- Database Management
- Artificial Intelligence
- Problem Solving
- Data mining
- Solidity

Experience

Tatvasoft

Software Engineer Intern

June 2025 – July 2025

Bhavnagar, Gujarat

- Developed a full-stack web application using .NET Framework(C#) for backend, PostgreSQL as the database, and Angular for the frontend UI.
- Designed and implemented backend architecture using Entity classes to manage and persist data through the PostgreSQL database.
- Implemented API endpoints to fetch, update, and manage user details, including their skill progression and activity logs.
- Ensured real-time data sync between frontend and backend using HTTP services and RESTful APIs.

Projects

BizMarket-Hub | Node.js, React, Typescript

June 2024

- * An AI-powered platform for SMEs to create marketing content, connect with agencies, and manage subscriptions via Razorpay.
- * Built with React, Node.js, and MongoDB, focusing on scalability and smart automation.

Price-Matcher | Tailwind CSS, Node.js, API

March 2025

- * Created a web application that simplifies online shopping by enabling users to compare product prices across multiple e-commerce platforms.
- * Helps users identify the best deals and make data driven purchase decisions.

ERC20 Token Development | Solidity, Remix, Truffle

January 2024

- * Designed and deployed an ERC20 token on Ethereum using Solidity, with smart contract support for creation, transfer, and management.
- * Focused on gas optimization and security, utilizing tools like Remix and Truffle

Technical Skills

Languages: Java, C++, HTML/CSS, JavaScript, SQL

Developer Tools: VS Code, Replit, Remix

Technologies/Frameworks: Git GitHub

Leadership

GDG on Campus

PR and Content Lead

November 2024 – Present

Government Engineering college, Bhavnagar

- * Managed PR and outreach at GDG Bhavnagar, fostering an active tech community. .
- * Managed executive board of 5 members and ran weekly meetings to oversee progress in essential parts of the chapter.

Achievements

Basketball National Champions - Provided strategic guidance and leadership to the college basketball team, advancing from regional to national-level tournaments conducted by GTU in 2023.

Placement Coordinator- Organized recruitment drives and mock interviews to enhance student placement readiness and engagement
